

HLTH and Evercore ISI Partner to Recognize Innovative Therapeutic Leaders

July 18, 2019

Evercore to host several panels featuring industry leaders at HLTH in Las Vegas on October 30, 2019

NEW YORK, July 18, 2019 /PRNewswire/ --

[HLTH](#), the largest and most important conference for health innovation, and Evercore (NYSE: EVR) announced today a new collaboration to host a series of panels on Digital Therapeutics at HLTH, taking place on October 30, 2019, at the MGM Grand in Las Vegas.

The session, titled "Demystifying the Digital Therapeutics Ecosystem," will be held on October 30 from 12:00 – 2:00 pm during partner deep-dives, and will include four panels featuring speakers from a wide spectrum of the emerging industry.

"We view Digital Therapeutics as a new frontier in medicine and broader healthcare and are excited by the emergence of the highly innovative companies that aim to integrate software, AI, and big data with evidence-based medicine to enhance patient care and drive a paradigm shift in the treatment of major diseases," said Ross Muken, of Evercore ISI. "We think this is a sector to watch and are looking forward to bringing this learning and networking opportunity to HLTH this year."

"We're excited for the opportunity to partner with Evercore ISI to put together this special programming. This is a unique opportunity to learn about change-makers in the industry and how they're bringing their expertise and community of innovators to the discussion on creating health's future," said Jonathan Weiner, Founder, Chairman, and CEO of HLTH.
