NEW YORK--(BUSINESS WIRE)--Nov. 11, 2024-- Evercore (NYSE: EVR) announced today that Eric Neveux and Graham Nix have joined the firm as senior managing directors in the Financial Institutions Group based in Chicago and New York, respectively. Their arrival marks Evercore's latest effort in continuing to build its financial institutions business, which has been an area of significant investment and expansion.

Jason Sobol, co-head of U.S. Investment Banking, said, "The financial institutions business remains a core focus of expansion for Evercore, and adding banking sector expertise is a crucial step in this strategy. We believe the banking sector is poised for growth and consolidation as we move into 2025 and beyond. Eric and Graham are uniquely positioned to lead this effort with over 40 years of combined banking sector advisory experience."

Mr. Neveux said, "I'm incredibly excited to continue my career advising financial institutions on the Evercore platform. As evidenced by the recent team expansion, together with Evercore, Graham and I are committed to building a best-in-class team to provide differentiated, independent advice to our clients."
