

Evercore to Host 6th Annual Consumer & Retail Conference, June 9-11, 2026

May 14, 2026

NEW YORK--(BUSINESS WIRE)--May 14, 2026-- Evercore (NYSE: EVR) will host its sixth annual Consumer & Retail Conference in New York City on June 9-11, 2026.

This year's event will feature executives and industry experts from over 50 leading companies discussing multichannel transformation alongside the effects of the shifting geopolitical climate.

Evercore Global Director of Research Marc Harris said, "I am looking forward to connecting with a dynamic group of leaders across the consumer and retail landscape at this year's conference. Our team is eager to engage in thoughtful dialogue around how companies are positioning themselves for growth, driving innovation and responding to changing consumer behavior in both the near and long term."

Presenters include CEOs, CFOs and senior strategy officers representing a diverse cross-section of the industry within the following categories: beverages, household & personal care, food, restaurants, specialty retail/apparel/luxury, and retailing broadlines & hardlines and grocery. This is an invite-only event. Institutional investors may contact their Evercore salesperson for additional details.

About Evercore

Evercore (NYSE: EVR) is a premier global independent investment banking advisory firm. We are dedicated to helping our clients achieve superior results through trusted independent and innovative advice on matters of strategic and financial significance to boards of directors, management teams and shareholders, including mergers and acquisitions, strategic shareholder advisory, restructurings and capital structure. Evercore also assists clients in raising public and private capital and delivers equity research and equity sales and agency trading execution, in addition to providing wealth and investment management services to high-net-worth and institutional investors. Founded in 1995, the firm is headquartered in New York and maintains offices and affiliate offices in major financial centers in the Americas, Europe, the Middle East and Asia.
